2017 Sponsorship Opportunities

The 2017 Tour de Fresh is a 3-day cycling ride through the gorgeous central California scenery, starting in Pismo Beach on July 25, and culminating in Monterey on July 27, in advance of the PMA Foodservice Conference. This not-for-profit event is presented by [*The California Giant Foundation*](#) and aligns fresh produce industry growers, shippers, packers and vendors, as well as family and friends of the industry. Proceeds will benefit the [*Lets Move Salad Bars to Schools*](#) campaign which has received over \$500,000 in donations from Tour de Fresh since 2014.

Benefits of participation in the 2017 Tour de Fresh are three-fold:

- The event allows fresh produce industry companies and affiliates to demonstrate their passion and commitment to living the healthy lives we promote through our products.
- The Tour offers a 5 month long promotional opportunity for sponsors and riders.
- The [*Lets Move Salad Bars to Schools*](#) campaign will receive funding for dozens of salad bars to be placed in schools across the country with a goal of 50+.

SPONSORSHIPS are open to fresh produce industry members and affiliates, and include the traditional opportunities that former sponsors have valued since 2014, as well as some exciting new ones for 2017. As this event grows, so does the exposure of and buzz about all sponsors, both within the industry and beyond.
